Dear Valued Customers,

Notice of Discontinuation:  
 $\alpha$ -Rabin Ceramics, R-Ceramic and Daiwa Stick Ceramic

We would like to express our sincere gratitude for your continued support and patronage. We regret to inform you that we will be discontinuing the sale of the products listed below. Due to shifts in global supply and demand, the price of blue ceramic alumina - the primary raw material used in these products - has continued to rise sharply. Consequently, it has become increasingly difficult for us to offer these products at a competitive price. We apologize for any inconvenience this may cause and appreciate your understanding of these circumstances. We look forward to continuing to serve you with our Daiwa Rabin products.

**Discontinuation Details**

**Affected Products:**  $\alpha$ -Rabin Ceramics, R-Ceramic and Daiwa Stick Ceramic

**Final Order Date:** June 30, 2026

**Notes:**

- 1) Please be advised that we will stop accepting requests for new quotations as of this notice.
- 2) ***Sales for  $\alpha$ -Rabin (WA grain) and Daiwa Stick RM99Z (WA grain) will continue as usual.***

Should you have any questions or concerns regarding this notice, please contact your local sales representative.

Sincerely,

**Daiwa Rabin Co., Ltd.**
